Dear STNI Representative,

It is with great pleasure that I write this letter of recommendation on behalf of Mark Pfau to your organization. I am sure you are aware of the recent donation of technology devices which were purchased by Mr. Pfau to the U.S Bank Boys and Girls Club of Greater Cincinnati. Mr. Pfau's generous donation was helpful, yet timely, as my site navigated virtual learning with our students. Our students were able to have access to quality technology each day to help with their virtual learning. Not only have these devices helped students have access to quality devices, Mr. Pfau's donation has also enabled my site to operate more efficiently which helped create a more conducive environment for virtual student learning.

Due to the impact of Covid-19, it is evident that many students, especially students at my site are currently experiencing challenges navigating their virtual learning environment. Mr. Pfau acknowledged and understood fully the academic challenges students may encounter as a result of the Covid-19 pandemic. With this in mind, I would like to send a special thank you again to Mr. Pfau for understanding how our students may be negatively impacted and responding in such a generous way to support our mission here at the U.S. Bank Boys and Girl Club of Greater Cincinnati. Mr. Pfau's contributions to the U.S Bank Boys and Girls Club has allowed us to further our efforts to assist our students with their virtual learning.

If you need any additional information, please feel free to contact me by email: ekimble@bgcgc.org or by telephone at (513)-961-3113. Thank you for your time!

Sincerely,
Emanuel Kimble
Education Coordinator
